

Vista Slider

Open & Closed Signs

Aluminum Slider

Horizontal oriented Vista wall sign with an aluminum slider profile. The slider element is available for v40, v60 and v80 extrusions, and in any length required.

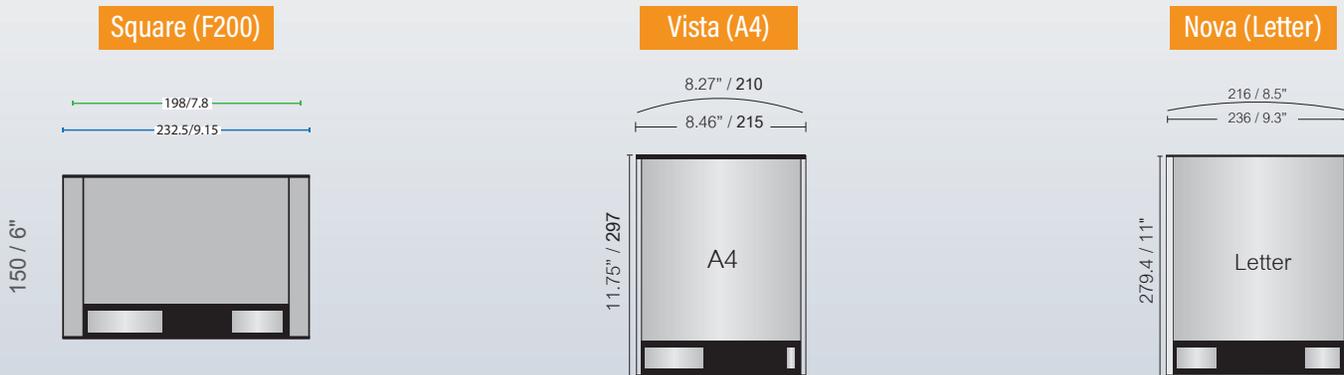

Plastic Slider

A combination of a plastic slider element, embedded into an existing aluminum wall sign. The plastic slider element is available in 3 width sizes: 200 mm, letter and A4, and can fit Vista, Square, and Nova frames.

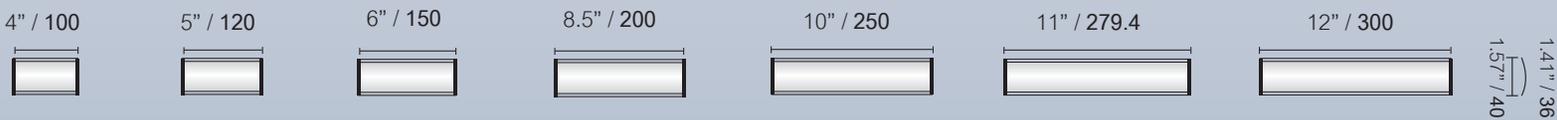

Plastic Slider

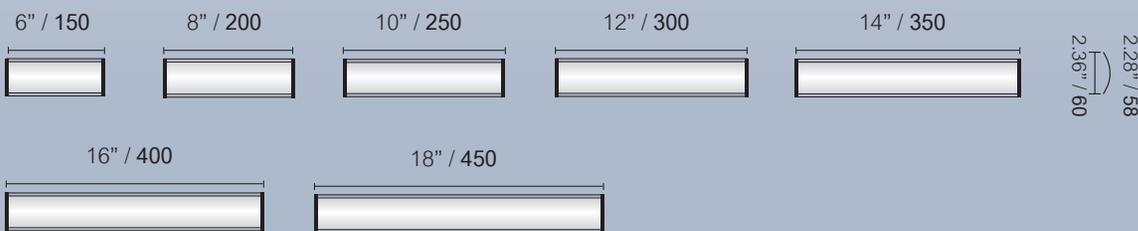

*The above models are only examples. The plastic sliders (200mm, Letter and A4 sizes) can all fit Vista, Square and Nova frames.
