Partitions

Partition pins make attaching nameplates to a cloth cubicle wall simple! These pins can also be used with other light weight objects that you are displaying in your office space. Most items require 2 pins to securely hang on a cubicle or partition wall.

A barbed mounting pin designed for use on some of today's woven knit fabric coverings of partitioned office systems, cubicles, workstations and soft walls. Great for hanging sign frames, signs, pictures, and poster wall displays. A durable product that will withstand multiple relocations of the sign with minimal damage to woven knit fabrics. Barb pin is 1" x 1" with four barbs and is made of zinc plated steel.
